

Words alone cannot properly thank the individuals who have helped our children grow and develop. The time, thought, and love which you have shown is simply unbelievable.

Thank you, **R' Margareten, R'Schnurman, R'Mandel and R'Elbaum,**

Thank you **Rebbetzin Fried, Mrs. Munk,** and the **Bais Yaakov limudei kodesh teachers** for everything you have done for our daughter.

A special thank you to **Mrs. Freund,** and the **4th and 7th grade English faculty.**

A huge mazel tov to the honorees, **R' White** and **R' Elbaum.** The chinuch you provided for our boys will stay with them forever. Your presence will be sorely missed.
